The goals of such school organizations as Future Teachers, Chem-Phy, and Future Physicians are to promote greater awareness in the process of education. Through studies in these varied fields, students gain first hand knowledge of methods to be employed for the betterment of mankind and his environment.

if we ever hope to solve the puzzles of
man
the only way is through communication
this is what our revolution is all about

we want to speak —
we want to listen —
we want to understand

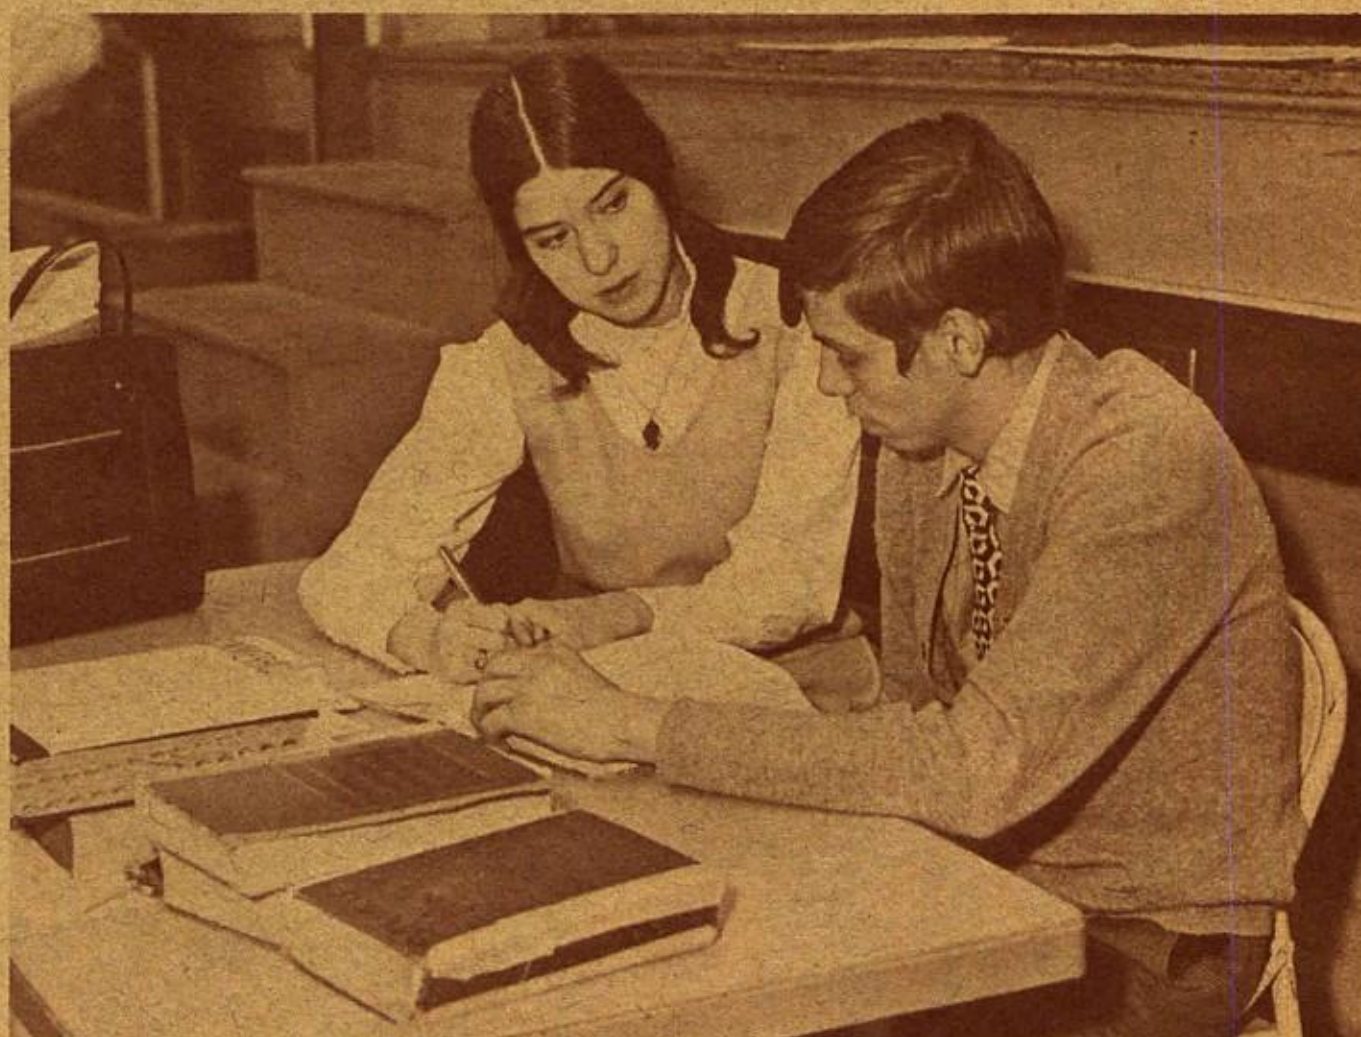

Students communicate thoughts and ideas while contributing time and diversified talents through participation in drama, debate, and journalistic endeavors. Participation in various activities is open to all students and gives them a chance to interpret the work of others and to express themselves through different communication media.

Student life covers a variety of social activities including chorus, Boosters, and National Honor Society.

We are a family
encompassed by a greater family—
the family of man.
We cannot act without acting
toward another,
For we are part of the whole.
Nevertheless, we are often alone
in our struggle to be ourselves.
Perhaps that is the mystery
of this human family.

realization of new responsibilities brings increased awareness to freshmen

Sr. M. Suzanne, O.P. Religion, Math, Assemblies

Freshman year involves a world of change, a revolution of ideas. The challenges presented to the class of '73 are answered with a unique response. Initiation into Freshie Boosters helps to provide a spirit of unity and participation. Dances and freshie mixers are an important part of the social life at St. V. For many it is their first experience in expressing support for their team.

efficient, independent effective, industrious

—all qualities of the average volunteer worker at St. Vincent. These students give service to their school, relieving the staff of many tiresome tasks while learning responsibility.

Audio-visual aides, secretarial assistants, office aides, and assistant librarians all contribute to the smooth efficiency necessary in any learning situation here at St. V.

Visual aids are in the good hands of Mike Kuzmik and Ray Gingo.

Athletic office assistant Sue Roetzel is shown in a typical "busy desk" situation—scattered papers to type and file, package to mail. When does Sue ever find the time for knitting?

Donna Polenavitch, president of library aides, explains "Sister Bernard's book policy."

As office assistant, Kathy Stasik has many duties to perform: checking attendance, giving out late slips, answering the phone.

it was "a very good year" — irish taste sweet wine of victory

This was a team that ran on spirit, and it was well-supplied by the student body. The 1969 Fighting Irish Football team rallied to a record of 7 wins, 2 losses, and 1 tie, overpowering such teams as Walsh and Youngstown Boardman. They also laid claim to the mythical championship between the Akron parochial high schools. They overpowered their new and undefeated rivals, the Walsh Warriors, 26 to 9, and beat the

Hoban Knights, 40 to 15. In their only tie game of the season, the Irish came up from 14 points behind in the second half against the Barberton Magics. This was repeated in the Youngstown Boardman game, in which the Irish dominated the second half for 32 points, coming up from a 14 to 0 halftime score. The Irish amassed a total rushing yardage of 2,463 yds. against their opponents' 910.

On October 24, the 1969-70 Homecoming Game was held against Bedford Chanel. The Fighting Irish took an early lead in the game to insure another Homecoming victory. During half-time the court, composed of eight girls chosen by the senior football players was presented.

Jo Lorenzo and Nancy Martin received the honors of queen and crowner respectively. Decorating the field were floats made by the different classes. First prize, consisting of \$25, was awarded to the seniors, whose float depicted varied school activities.

fighting irish hustle to a state ranking

A pleased crowd responds to the overwhelming success of a hardworking team.

The '70 version of the Saint Vincent basketball team possessed an excellent blend of talent and desire. Coach Tim Smith, who started here at St. V four years ago, guided the first team of his forming to a state AA ranking of sixteenth.

Seven seniors graduate this year, leaving behind them a fine 15-3 record. The all-senior starting team, with an average height of over 6'2", made their last season at St. V one that shall not be forgotten. The squad encountered however, a sizeable casualty rate, but with the help of the second and third strings, the mighty Irish showed how great a team can be.

The 1969-70 basketball team includes: **Row One:** Bruce Falb, Mike Ochsenhirt, Joe Mellion, Tom Hadley, Nick Mellion, Kevin Gannon, Steve LoCicero, Mike Wesig, Tom Marks, Paul Durando. **Row Two:** Bob Cox, Tom Flege, Vince Rich, John Major, Brian

The score of the Hoban game represents the quality of the teams.

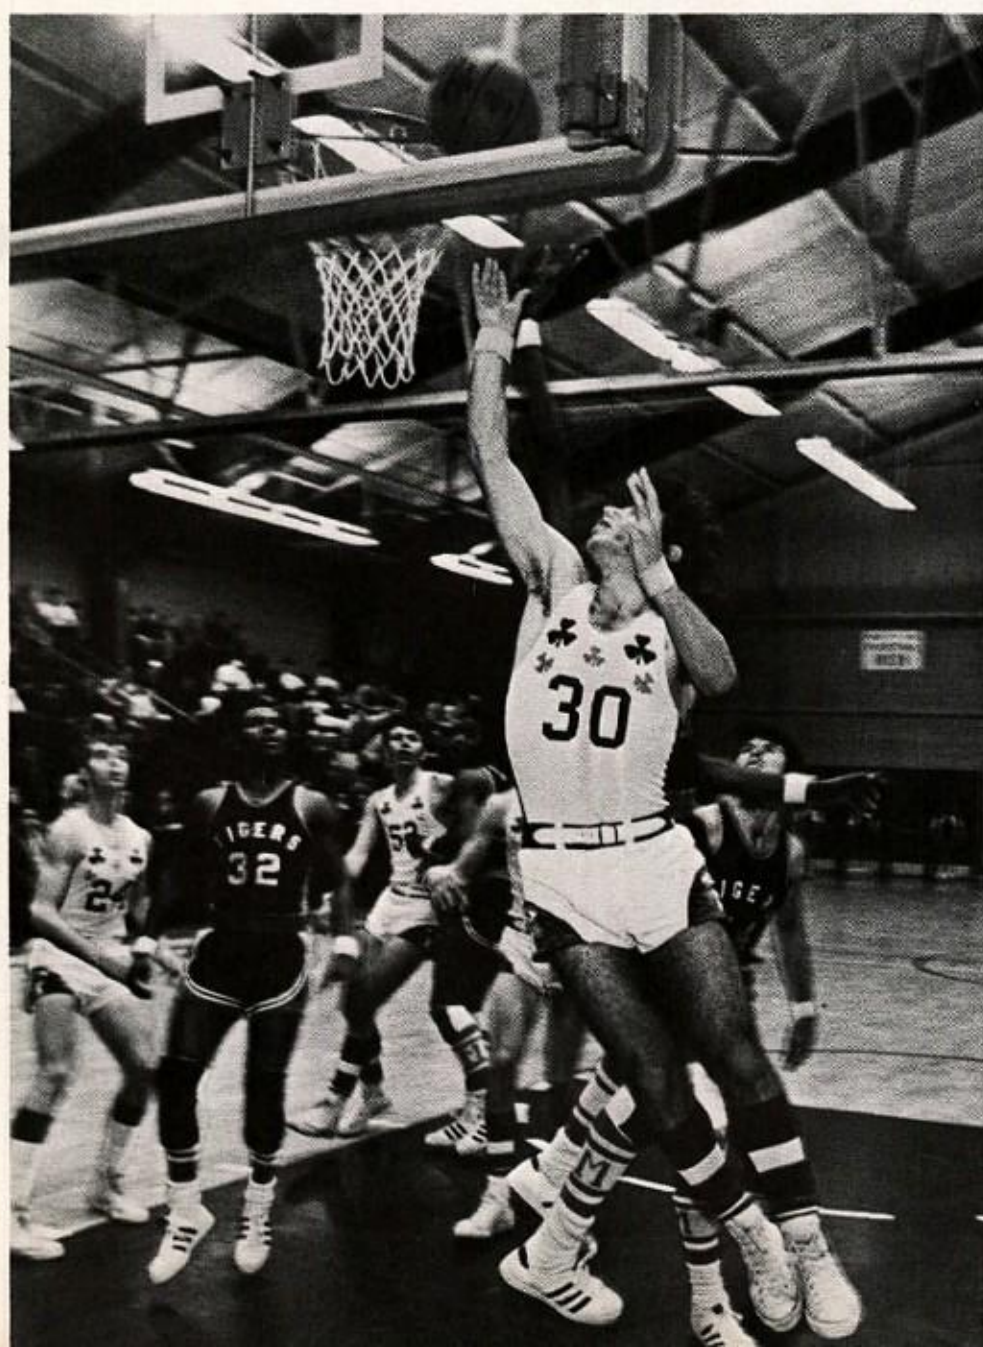

"Hey Dupa," shouts the "Old Survivor."

Coordination, teamwork, and practice made Irish defense the machine it was. Hoban was a victim of the "machine."

The strong Irish offense is displayed during the Massilon game by Dick Pacenta, as he breaks through for two points.

harriers merit winning season, establish outstanding records

The 1970 edition of St. V's Cross Country team was the first with a winning record in Irish history. Senior Captain Dick Costigan led the team to an 11-10 record. They placed third in the Northeastern Ohio Athletic Association League meet. They also ran in the Aurora Invita-

tional for the first time, with Costigan placing fourth. Dick's other achievements include breaking the old school record three times with runs of 10:53, 10:47 and 10:40. He also finished fourth in the regionals out of a field of 125 competitors. Mr. Smith "drove" to win.

Captain Mark Difeo drives desperately for a pin against Walsh.

The Irish wrestlers, the youngest team in the city, featured representatives from all four grades. Although Coach Bruce Brubach's preseason expectations were low, the team rapidly improved until the final match against North found them undefeated and vying for the City Series Championship for the third consecutive year. After early victories over East (35-10) and Copley (25-22), the St. Vincent grapplers faced their new archrivals from Walsh Jesuit. The Irish continued their domination of the Warriors in major sports with a 26-11 victory. This match was followed by a 26-12 win over Firestone.

Over the Christmas holidays the wrestlers took part in two tournaments. Traveling first to North Canton's Hoover High School, the Irish won first place in the twelve-team contest. St. V wrestlers who placed were: Kevin McDonald (115) fourth, Gary Benson (123) third, Ed Merzweiler (165) second, and Joe Difeo (155), Mark Difeo (165) and Dane Griffith (Hwt.) first. Three days later, in the Catholic Invitational Tournament at Lakewood St. Edward, the Irish finished seventh out of twelve in the face of stiffer competition.

After a long break, the wrestlers returned to City Series competition. Matches against Garfield, Buchtel, Kenmore, and Hower proved to be preparation for the big three—Hoban, South, and North. Garfield bowed 32-8. Buchtel (41-3) and Kenmore (41-5) were nearly shutouts. Hower fell by a score of 35-9.

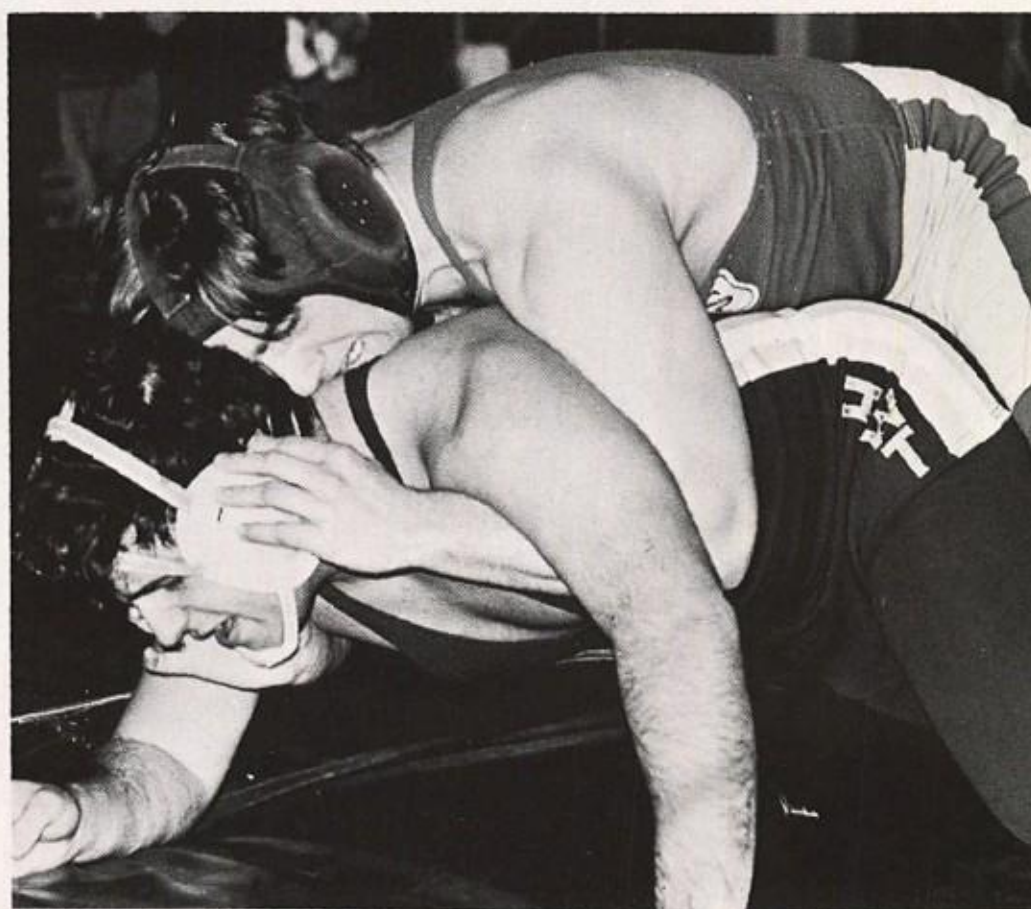

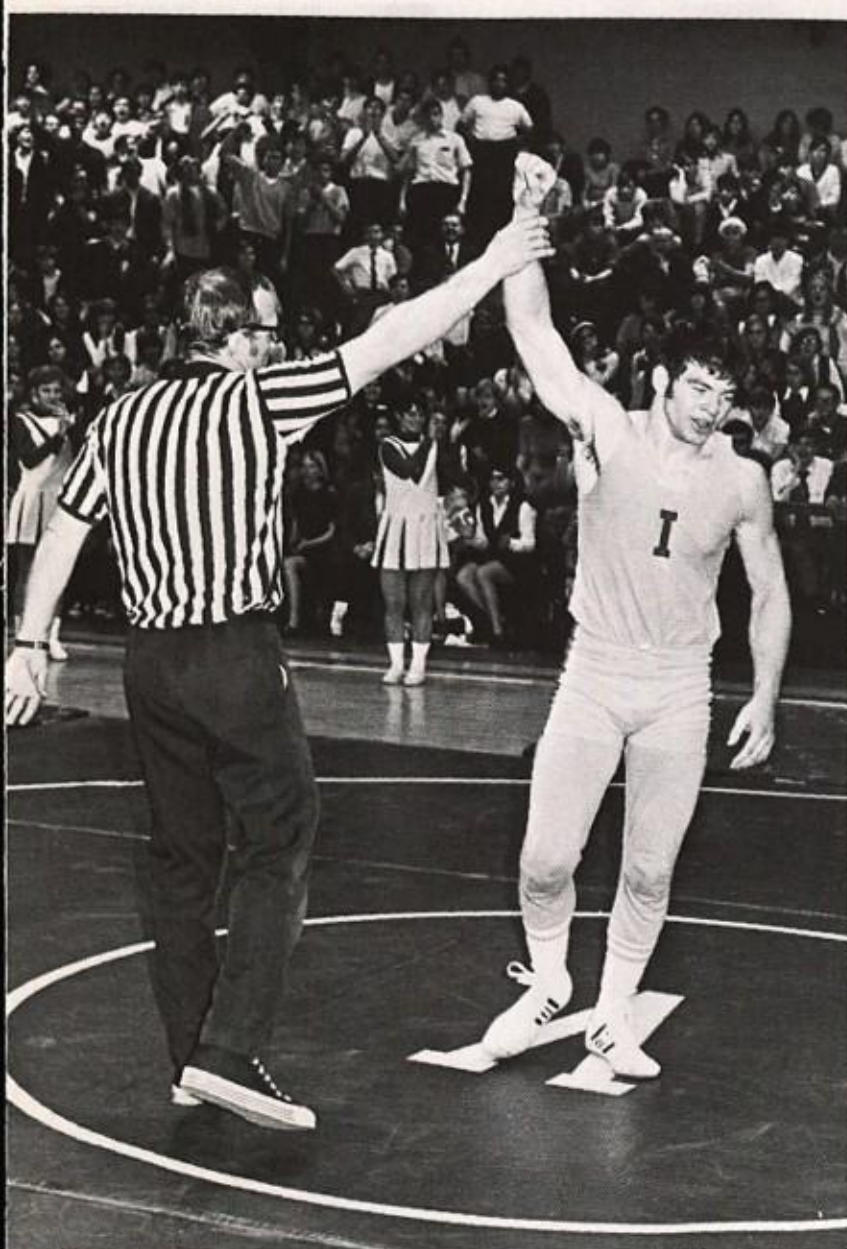

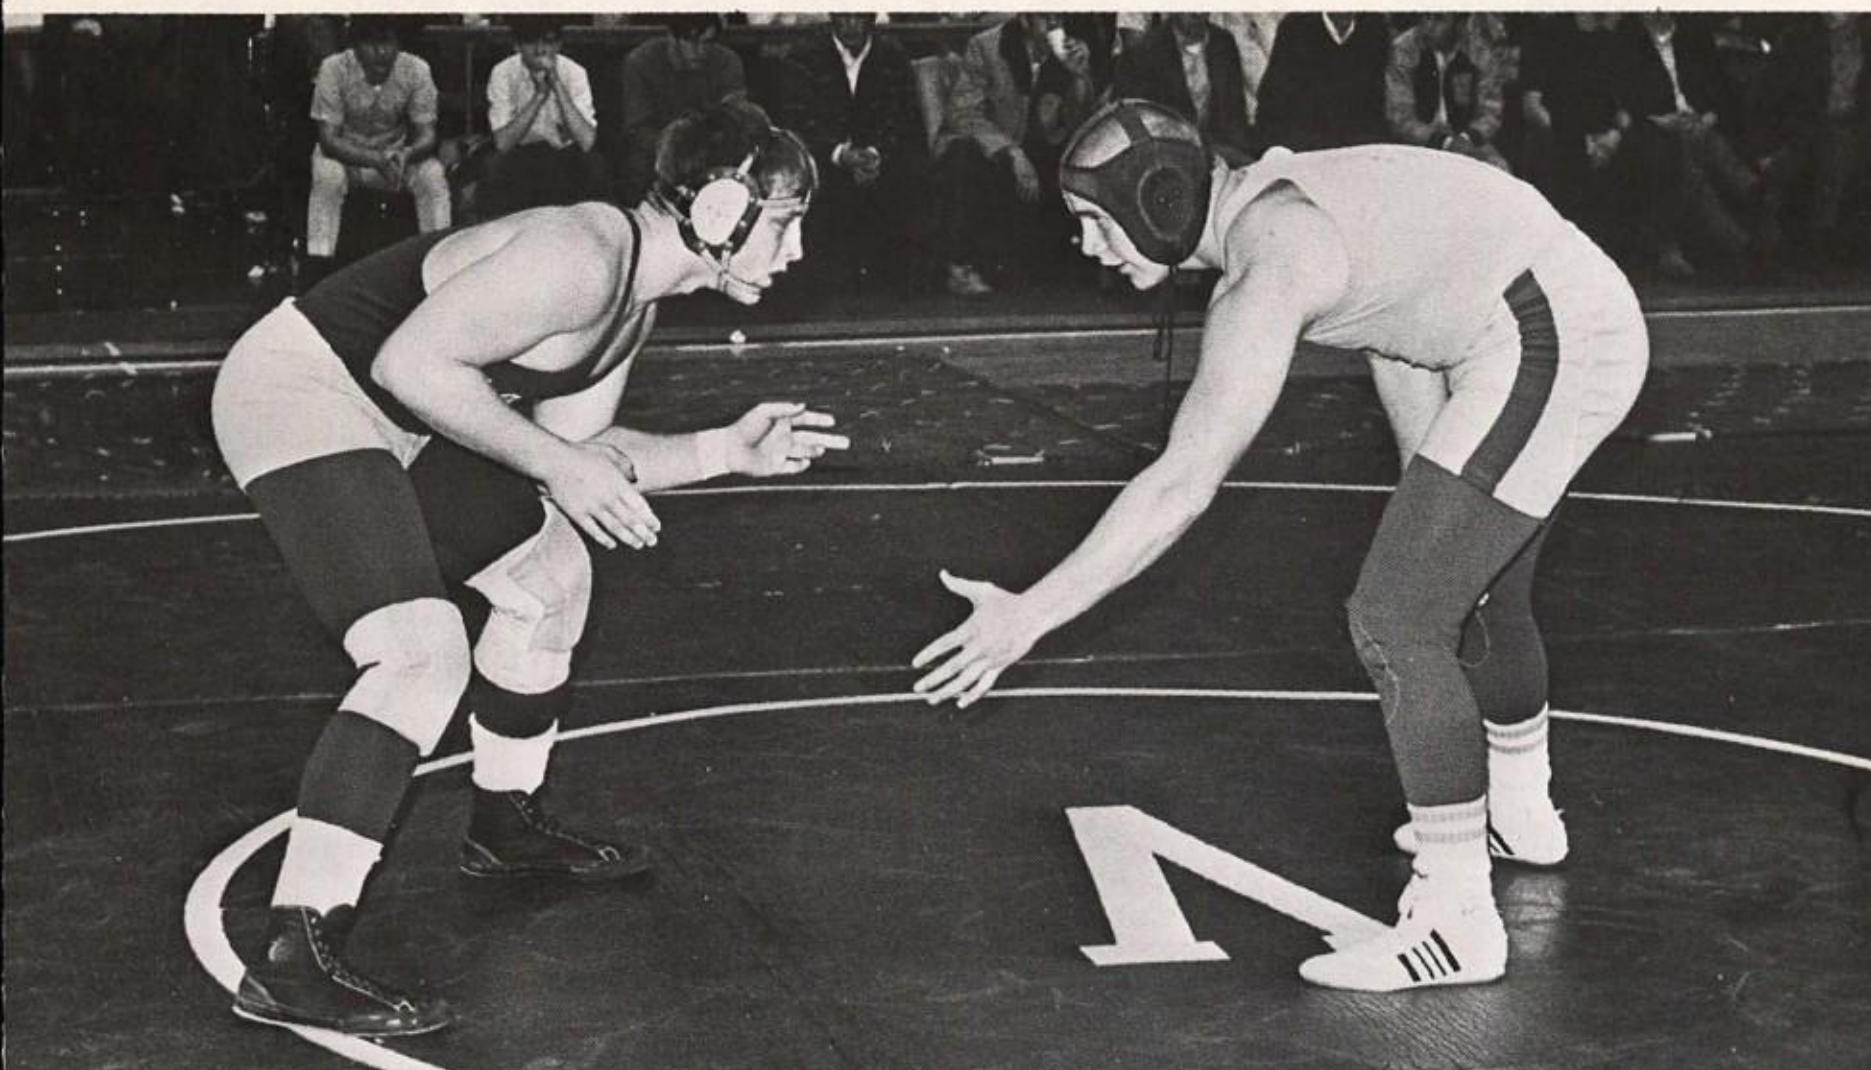

Two leading contenders, Hoban and South, fell 26-14 and 31-16, respectively. As a result, two undefeated teams met for the City Series Championship. North High's team, coached by Mr. Brubach's brother Dave, had nine seniors, as compared to from St. Vincent. The Irish put up a tough fight, yielding 22-17 for lack of a heavyweight.

The 1970 tennis team returns to their home court at Perkins Woods with a rough schedule ahead of them. Coach Timothy Smith plans to guide his team to their second City Championship in a row.

The baseball team is returning after losing only two men from the starting lineup. Coach Ralph Vallecorsa is looking forward to the sport's second season here at St. Vincent.

Led by Coach Terrence O'Hare, the St. V track team shows promise for this year. The team belongs to the newly-formed N.E. Ohio Conference.

Senior class advisors and board members

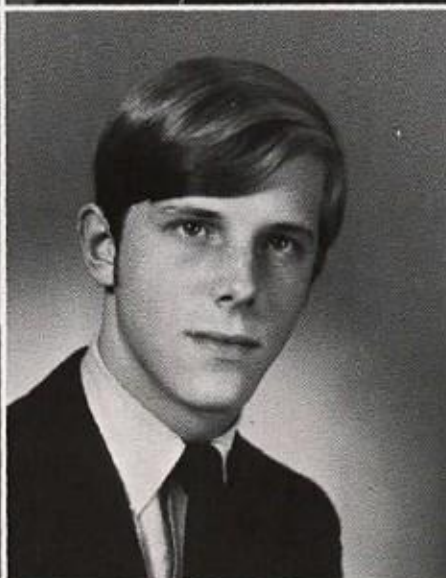

When tradition no longer fulfills its purpose, it must be adjusted to the needs of the present. Organization and emphasis was shifted this year in the senior class from traditional class officers to a Senior Board consisting of five equal members. The purpose of the board is the same as that of officers.

With equality of rank, assumption of responsibilities is left to the discretion of each member. Discussion and compromise are the life forces of the board, and through their combined efforts and interests plus advice from Mr. Naymik and Mr. Vallecorsa, leadership in a true sense was established in the senior class.

"that was the week that was"

That was the week that Walsh High School entered the highest ranks of Irish rivalry. That was the week when football was in the air and everyone breathed it. That was the week that will be written on the pages of St. V history and on the memory of every Irishman who witnessed it. The spirit had gone beyond the boiling point.

The senior homecoming float, displaying various aspects of St. V. life, depicts the "Spirit of 70."
